Career Summary

As an executive, I have seen the impact that comes at the intersection of innovation, ideation and integration. I have spent my career working in nonprofit and business settings designing solutions that create this very tangible impact. I am seeking a role on a dynamic and interdependent leadership team where I can learn serve a worthy cause, learn through teamwork and utilize my skills and abilities.

Education

1994-1998, Bachelor of Arts in Communications and a Minor in Sociology, Judson University

Positions Held

2005—Present, Co-owner

Generous Mind LLC

- Launched a next generation service organization focused on mentoring thought leaders to develop products and provide leadership in the causes God has called them to represent.
- Provided mentoring to non-profit, business and academic leaders seeking to be generous minds.

2012—2017, President/CEO

GMI (Global Mapping International)

- Provided overall leadership in a crisis situation and in the subsequent turnaround.
- Led the organization through a leadership, strategy, branding transition.
- Designed and implemented a new cause for the organization—Knowledge Stewardship.
- Consistently generated \$500,000 in annual giving and launched 2 giving programs.
- Design of service and product business models and strategies for sustainable revenue.
- Launched an Evaluation Practice to provide ministries with program evaluation services.
- Served as publisher for over 20 new product launches.
- Provided thought leadership in the mission community through regular speaking, writing and consulting efforts.
- Innovated with the first missions infographic service—www.missiographics.com.

2011—2012, Marketing Manager

Olive Technology

- Identified the need for and is providing leadership in the development of an extensive Customer Experience Program in a cross-cultural context.
- Designed and implemented a marketing strategy (PR, cause development, and social media).

2010—2011, Account Manager

NOVO Ink

- Launched the product development process and built a catalogue of 1000 titles.
- Delivered a comprehensive marketing/social media training program for authors.
- Responsible for pricing structures, publishing standards and sales projections.

2010, Social Media Co-Manager

Lausanne Congress on World Evangelization—Capetown 2010

- Developed the network to 30 members and over 250,000 unique monthly views in one month.
- Engaged the entire Lausanne audience via regular posts on their blog before, during and after the event.
- Built relationships with thought leaders throughout the Lausanne ecosystem and mobilized them to share what they were learning.

Jon Hirst

2009—2010, Director

.W (Doers of the Word)

- Coached clients as they implemented Transformational Giving (a discipleship-based fundraising process) and developed intentional tools and resources to equip them in development work.
- Received in-depth training in next-generation fundraising through hands-on mentoring.
- Led the creative team providing services which included strategy development, copywriting, web development, social media implementation and marketing plan implementation.
- Worked to implement a next-generation mission agency fundraising model .

2005—2009, Executive Director of Strategic Communication

HCJB Global

- Provided leadership to the organization's multi-year re-branding and new donor acquisition efforts; including strategy development, project management and budget oversight.
- Developed in-depth relationships with Senior Executives, Regional Leaders and the Board of Trustees in order to provide advice and guidance on communications/programmatic issues.
- Led global communications team responsible for all branding, marketing, direct mail, internal/external communications, public relations, and communications tools.
- Supported the president in major programmatic and strategy shift affecting global operations.

2001—2005, VP of Strategic Development

DEVTECH

- Launched a startup organization designed to empower nonprofits to engage in innovation; quickly engaging a core of 8-10 ministry partners annually in significant infrastructure/innovation projects and consultancies.
- Directed sales, partnership development, consulting and strategic planning.
- Worked with teams from India, Ukraine, Mexico and Ecuador to deliver tech services.
