**\$600 monthly
subscription for
tirzepatide,
compounded.**

KEY ELEMENTS:

- No back-and-forth hassles with insurance for coverage
- No delay from back-ordered medication
- No treatment interruption from insufficient supplies
- Your \$600 monthly subscription covers four monthly injections with compounded tirzepatide inside prefilled syringes, regardless of your dosage requirement.
- Avoid treatment delays, ensure availability, and the correct dosage: Opt for a monthly subscription to secure your medication ahead of time, eliminating the risk of treatment interruptions.
- Your subscription is flexible; you can cancel at any time.

***Practice members only:** If you are thrilled with the results achieved after 6 months and wish to continue Medical Weight Loss beyond this period, your subscription for compounded tirzepatide will be provided at a discounted rate of \$525 monthly.

***Practice members only:** If you qualify for Medical Weight Loss insurance coverage, you enjoy the convenience of having your electronic prescription for Mounjaro®/Zepbound® seamlessly sent, at no cost, to the pharmacy of your choice. We take care of the entire process and handle all preauthorization requirements to ensure a hassle-free experience for you. **Ask us how to learn if your insurance plan may cover the name-brand drug Mounjaro®/Zepbound®.**
