

CONSULTING. ENGINEERING. CONSTRUCTION.

Purpose: This reference sheet is to be used if you are stopped by a law enforcement official while operating a truck and trailer and asked about your USDOT Number.

- Atwell LLC was made aware that our trucks which pull trailers are classified as Commercial Motor Vehicles.
- Atwell applied for and received a **USDOT Number: 3325118** on August 20, 2019.
- Atwell is enrolled in the Federal Motor Carrier Safety Association's new entrant safety program, giving us one month to be compliant with FMCSA regulations.
- We are fully committed to complying with all laws and regulations set forth by the Federal Motor Carrier Safety Association.
- If the Officer finds any deficiencies, inform them that we are continuously working to improve our compliance and will address any concerns.
- For further questions or information please refer them to contact Josh Herbeck at the following:
  - Office: 248.447.2000 ext. 2087
  - Mobile: 248.302.4399
