Congratulations on being a Lions KidSight USA Top Ten Club Award Winner. Your Lions Club has shown exemplary dedication to ensuring the children in your area receive the quality vision screening for which Lions are known. Your achievement is especially notable as the Lions in your club stepped up to screen children during the challenging COVID recovery. Many children have had their lives positively changed by being identified by you as needing professional eye care. These children will now have the visual tools to achieve their full potential in school as well as their future adult lives.

Your achievement has earned your club a special banner patch demonstrating to everyone who sees it the outstanding work you have done.

Again, on behalf of the entire Lions KidSight USA Foundation board we thank you for the great work you are doing and congratulate you on your achievement.

Yours in Service from the Heart,

Ed
