

APPLETON'S

Doggy Home Boarding

& Day Care

Customer Holiday Packing List

Please use this guide to make sure that you remember everything that your dog might need during their stay. Please note that in order to settle in a new house, your dog needs more blankets than they have at home. Even after washing, they retain the smell of your family, and help them to settle.

Item	Quantity	Packed?
<i>Do we have a current vaccination certificate on file?</i>	<i>n/a</i>
