

Join the Mayo Clinic Community Research Registry

Did you know that underrepresented populations only account for 30% of cancer clinical trials?

Mayo Clinic is recruiting participants to join a Community Research Registry (CoRR) to help match underrepresented populations with appropriate research studies.

YOU MAY BE ELIGIBLE TO PARTICIPATE IF YOU ARE:

- An Adult (18-90)
- A self-identified member of an underrepresented population (ex: racial/ethnic minority, rural resident, LGBTQ2S+, disability)
- Able to read or write or have an individual assist you

Eligible participants will receive information about ongoing research by Mayo Clinic and can choose whether to participate in these studies.

For more information, please contact Mayo Clinic at MCACOMREG@mayo.edu or via 480-574-2638
