## Electronic Tuition Payment

Starting with your first payment you may set up your bank account to automatically pay tuition when it is due. We offer something called e-pay which is like using a debit card. By filling out the e-pay authorization you can rest easy knowing tuition is paid on time and according to your instructions. To participate please return the e-pay authorization form to the office before the 1st of the month. Your tuition payment will be made for you automatically throughout the school year between the 5th -8th of each month. This agreement remains active until you cancel it.
