A little about our dance school...

At Dancin' Motion we believe it's important for a child to get involved in a hobby that will keep them fit and strong as early as possible. Dance is a fantastic fun way to achieve this while helping young children develop their social skills and confidence!

We have 5 Dance School's across Nottingham. The heart of our dance school is at our dance studio located in Clifton, Nottingham. We have branch schools at Keyworth, Basford, Wilford & The Meadows. Over 300 children attend weekly dance classes across our 5 IDTA dance schools.

Our primary focus is in creating a positive and energised environment whilst having a lot of fun in the process. We have discovered the more relaxed your children are the more likely they are to create their best work.

All of our dance teachers are leading diverse careers across many types of performing arts disciplines. All dance teachers are fully trained professional dance instructors and have full DBS checks. Our team have many years' experience in teaching dance, both within schools, private dance tuitions and performing arts colleges. They are able to adapt each session to the age group and help support regardless of the pupil's ability or age.

Rules & Regulations

On registering with Dancin' Motion you will have automatically signed our online Rules & Regulations/Photo consent form. All of our safeguarding policies, rules & regulations can be emailed over at any time.

International Dance Teachers Association Examinations

The IDTA has developed a range of examinations suitable for all ages and levels of experience and achievement.

All children will be offered the opportunity to take IDTA exams in all core dance subjects.

Shows

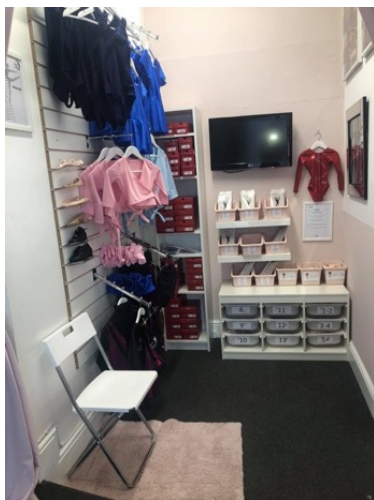

Once a year we hire a professional theatre in Nottingham City Centre for our annual show. All branch schools and main school children will be invited to perform in the show so family & friends can see how the children have progressed and gives the children the opportunity to perform in front of a live audience. This is a magical experience for both children & parents!

Direct Debits

Automated payment is a trouble-free way to pay for classes. Making it easier for you to enjoy your experience with us, not worrying about when payments are due or late payment charges.

- Automated payments are worked out based on DM classes throughout the year. The total is then divided to form *12 equal payments across the year*
- Any other additional classes/exam fees/competition fees will be invoiced separately
- Automated payments are run through London & Zurich
- Payments will be taken on the 1st of each calendar month. If we are unable to take payment at any point, London & Zurich will automatically re-attempt on the 15th. If we fail to take funds after the second attempt a £5.00 surcharge will be added to your next bill
- Once your Automated payment has been set up, there will be no more forms to complete, no more cash, cheques or late payment charges

Please Note

- There will be an extra one-off payment of £1.80 on your first month, this is a client set-up fee
- Your payments will be the same each month & you do not have to do anything after setting up an account
- If you wish to terminate your child's dance classes 30 days' notice must be given – you will not need to do anything as DM will cancel your monthly direct debit payment via our London & Zurich portal. You will receive e-mail confirmation once this has been cancelled
