DO YOU NEED A COURT INTERPRETER?

LOUISIANA COURTS are committed to providing persons of Limited English Proficiency ("LEP") with meaningful access to court programs and activities.

The Louisiana Judiciary is required to provide interpreters for hearings and proceedings conducted in all Louisiana courts, as well as certain court-related services. Interpreters are provided at no cost for individuals who are parties or witnesses in court proceedings.

- ▶ Only court-appointed interpreters can serve as official interpreters in the courtroom.
- ▶ Family or friends cannot serve as official court interpreters.
- ▶ Your attorney cannot serve as an official court interpreter.
- ▶ You will not be charged for a court interpreter or language access services.

WHAT TO EXPECT?

- ▶ The interpreter may speak with you before the hearing begins to make sure that you understand each other.
- ▶ The interpreter may view the court file prior to the proceeding to become familiar with the case terminology, names, and dates.
- ▶ Interpreters sometimes use special equipment in the courtroom. The interpreter may briefly explain to you how it works.
- ▶ If there is anything that you do not understand during the court proceedings, inform the judge immediately through the interpreter.
- ▶ When the judge or attorneys ask you questions, the interpreter will interpret everything you say into English.
- ▶ The interpreter will use the first-person during interpretation. He or she will say “I” when interpreting what you are saying and will refer to him/herself as “the Interpreter.”
- ▶ After asking the judge’s permission, the interpreter may ask you to repeat or clarify your statements.
- ▶ If you speak fast or give long answers, the interpreter may ask you to pause to allow for interpretation.
- ▶ You will not be charged the costs for any interpreting services.
- ▶ A court may appoint an interpreter when the court or participants have difficulty speaking or understanding each other, even when an interpreter was not requested. In that case, the court may ask a few questions to help determine whether to require a court interpreter.
