

WRIGHT'S HOUSE OF HOPE, INC.

Where Healing and Opportunities Happen

Here's how your kindness and generosity are making a difference...

JUVENILE JAIL MINISTRY

Wright's House of Hope (WHOH) continues to support the Officers, Staff and juveniles at the Greenville County Juvenile Detention Center (GCJDF) in Greenville, SC and the Department of Juvenile Justice (DJJ) in Columbia, SC. Included below are just a few examples.

We appreciate the work of the dedicated Officers and Staff! WHOH sponsored Chick-fil-A lunches at GCJDF to show our appreciation.

The juveniles assembled appreciation gifts for 450+ Public Safety employees in Greenville County. The supplies for these gifts were sponsored by Boulevard Baptist Church in Anderson, SC.

**Care Bags: Life-giving supplies (backpacks filled with personal care supplies and fun socks) given to juveniles leaving the facility.
(FYI, the faces of the juveniles are covered in these photos for privacy reasons.)**

“It has been a tough year for our detention facility. Your generosity to our juveniles and staff is so appreciated and like a breath of fresh air for our weary spirits.” Lieutenant Barbara Pressley, GCJDF

COMMUNITY MINISTRY

Imani with her children Noah and Naomi; Right: Her new home and housewarming gifts

"I'm so thankful for my mentor-mom, Ms. Beverly. She has been a rock for me since I was a junior in high school and expecting Noah. Soon after graduating, Noah and I didn't have a place to live, and Ms. Bev took us into her family and the rest is history. After two years at her home, she helped me to transition to an apartment where I took in my 18-year-old brother because he was homeless. I've appreciated all the prayers and donations from WHOH over the years, such as housewarming donations for the apartment, clothes, and pieces of furniture for the kids and a computer. Ms. Beverly even gave me her car because all the cars I had bought were lemons :). I've learned a lot about how to be a young lady, lean on God, be relentless, love and work hard for my children through all the good and the tough times we've shared. I qualified for a Habitat for Humanity home recently and we moved in the week before Christmas. Ms. Beverly has coached me through the homeowner process, and I continue to solicit her guidance daily on things concerning life and the choices I have to make as a single mom, decisions about house, the kids, and job offers etc. Thank you Ms. Bev, WHOH and all of your donors for the home warming supplies I requested! Your kindness and generosity are appreciated!" Imani Rucker
