

## **LET'S CHAT!**

I like to sit down with my clients and talk through your vision. We will discuss locations, hair and makeup, clothing, style, and the theme of your session. We offer several different portraiture packages and can also customize sessions. We will also discuss your options for printed photos.

Please feel free to bring concepts or inspirations to your consultation. Please know that we will try these concepts or inspirations for your photo shoot but will not recreate other photographers' work.

## **BOOK IT**

Let's book your session(s). Sessions include travel time from location to location.

## **SMILE**

We'll connect a few days before your photo session to confirm details and ensure the weather cooperates. If we have weather issues, we can either re-schedule or make arrangements for alternate locations. Please let us know if you have any additional questions.

## **YOUR SESSION**

On the day of your session, please arrive dressed with your hair and makeup camera ready. We want to spend as much time taking photos of you as possible. Payment is due at the end of your session; we accept cash, check, Venmo, or Paypal. Returned checks will incur a \$35.00 fee.

## **GALLERY**

Your images will be ready approximately 1-2 weeks after your session. You can download your photos from the gallery. However, you'll receive a few social media sneak peeks in the first week. When your images are ready, you will receive an email with a link to your online gallery. You have the opportunity to share, create a favorite list, or even make notes on photos for the photographer. You can download your hi-res image directly from the gallery using a PIN. Family and friends can view or order prints now from this gallery.
