

In-person

Summer 2024

Course Offerings

**No travel this summer?**

You can keep your regularly scheduled tutor for weekly in-person sessions

**SAT & ACT Prep**

Individualized and customized. All in-person sessions are tailored to the individual student.

2

**Math Skills Review or Preview**

Wanna keep those math skills sharp, individualized sessions in math can do the trick!

4

**ELA**

Summer is a great time to shore up any existing issues in language arts (grammar, sentence structure, essay writing, and reading comprehension to name a few)

5

**Executive Functioning**

Is your student struggling with organization, planning, time management, studying, test taking? We got you!
