

LCDC Diamond Club PO Box 7082 Spring, TX 77387

To Whom It May Concern,

The Lady Cavalier fast pitch softball program is now in its seventeenth year. In this time span the skills and performance of players has been recognized at the District & State level, including scholarships to play at the Division I college level. All participants in the program, however, have benefited from what high school sports has to teach in terms of teamwork, leadership, commitment, fitness, communication, as well as dealing with the ups and downs life has to offer.

Community support plays a vital role in the success of the softball program. The budget of the softball program exceeds the funds provided by the school district; with fundraising efforts making up the difference. As a result, it is through generous contributions and support from companies such as yours, that we are able to assist with providing additional equipment, uniforms, meals to players on game days, participation in tournaments, facility improvements and scholarships for our seniors.

While CISD rules limit player fundraising activities to one per semester, to obtain the funding necessary for our program we offer local businesses the opportunity to sponsor the program at a variety of levels for your convenience.

Please note that the Lady Cavalier Diamond Club (LCDC) booster club is a recognized, non-profit organization. All donations or their equivalents are tax deductible under 501.C.3 (Tax ID # 26-0127122). An official receipt will be mailed to you once your donation is processed. To contribute please fill out the information noted below.

Thank you for supporting the program and this incredible group of young ladies. If you have questions, please feel free to email the LCDC Board at lcdcsoftball@gmail.com.

Sincerely,

JJ Bouziri, President
