US ARMY COMBAT VETERAN

Magda Khalifa, Founder of the Freedom Triangle, is a 1st-generation American, US Army combat veteran, business owner, speaker, and bestselling author of "American DREAM: Discipline, Resilience, Endurance, Adaptability, and Mentorship to Succeed and Win in Life".

After witnessing the attacks in New York City on September 11, 2001, she left her life behind and joined the military. After serving two tours in Iraq she struggled to rebuild her life, overcoming transition challenges and health issues.

She succeeded in turning her life around by identifying what was holding her back and by taking action. Her growth and success led her to develop "The Freedom Triangle", a 3-point framework that helps people grow from limited to LIMITLESS.

Today, she helps others start their journey towards limitless through speaking, consulting, and mentorship.
