Notice Period

Please note that we always highlight, at this half term point, the necessity to let us know if you intend to leave at the end of the term. As mentioned in our term and conditions, students are automatically enrolled term to term like a regular school, so **we need to be informed now if you do not intend to continue with your child's classes in the Summer Term.** It is so important to us and can really impact the planning and viability of classes. Therefore, if your circumstances have changed please email apexschoolofdance@outlook.com. We appreciate your mindfulness with this.

Uniform

A reminder that we do have a set uniform for our classes. All uniform can be ordered from Apex School of Dance at retail price. Once enrolled, we request students to be in the correct uniform after the first six weeks.

Website and Social Media

There is lots of useful information about our school on our website www.apexschoolofdance.co.uk. You can find term dates, uniform guides and our timetable on there. We also have an Instagram (@theapexschoolofdance) and Facebook (apexschoolofdance) where you can find our latest updates and photos of what the students have been up to in class

Thank you!

I am so proud of all of my students and the hard work they put in to each and every class. A big thank you to all parents and guardians for your support and wonderful feedback. Sending love to the Apex family, and looking forward to seeing everyone after the half term break.
