We focus on the important elements of the College Application:

Course Planning: Find out exactly which classes to take (both in and outside of school) to maximally impress colleges, while optimizing GPA and course rigor.

Extracurriculars: Learn what colleges look for and how you can leverage your interests and talents to take your extracurriculars to the next level.

College Selection/List: Build a thoughtful, well-balanced college list that considers your individual background, goals, interests, and values.

Awards/Honors: Plan and structure the appropriate awards and honors for your major and college.

Letters of Recommendation: Learn to secure outstanding recommendation letters from your teachers and counselor by learning what colleges value in prospective students.

College Essay and Portfolio: We assist in the entire college essay and personal statement process. College portfolio assistance and guidance for specialized majors.
