**The art of construction.**

2023

# WE HELP HOMEOWNERS SUCCEED BY PROVIDING THEM A FULL SERVICE OF EFFECTIVE SOLUTIONS.

Juniper offers a dedicated project manager who will guide you from start to finish.

From small to large projects, we deliver the honest and impeccable service you deserve.

We pride ourselves on strong communication with our clients, skilled trades and team members.

Juniper is founded on treating our client's projects as if they were our own.

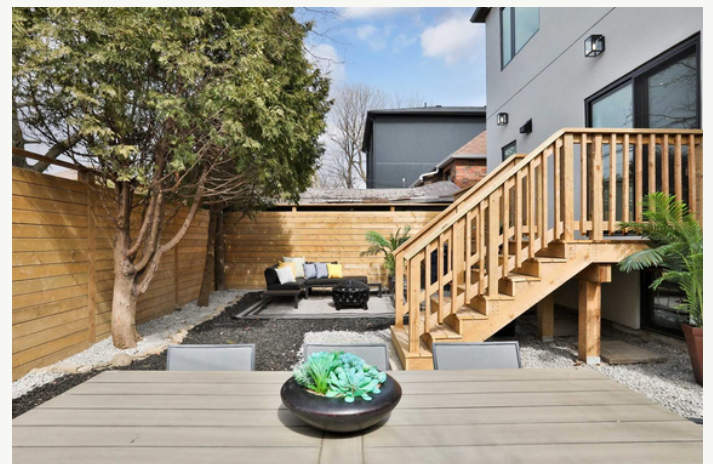

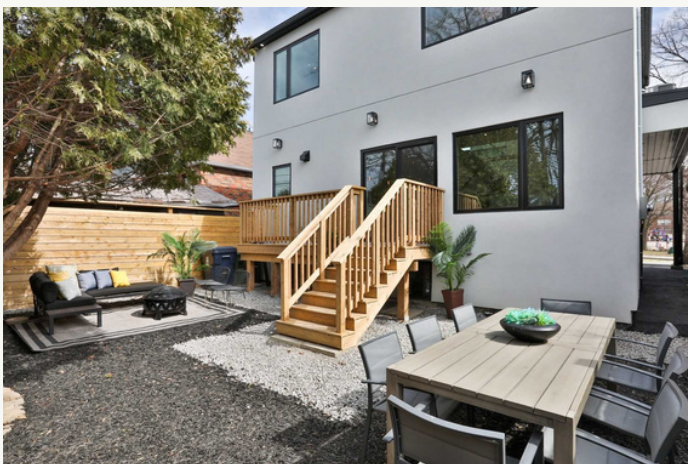

# WE WANT TO MAKE A POSITIVE IMPACT ON TORONTO HOMES.

As a local contractor, we build one space at a time for you. We have the vision to create spaces you will love and build a better Toronto.

# MEET THE TEAM

We want to make your vision become a reality. Our team has been carefully curated to ensure that we attain the highest of standards. We trust in our premium craftsmanship backed by 20 years of experience and work alongside the best Toronto architects, designers, and tradesmen.

From the first phone call to the final walkthrough, Juniper is there every step of the way. Our practice is honesty and transparency and we demonstrate that by sending out weekly progress reports including photos so our clients can follow along with the entire process.
