

Hello Spring

Saying goodbye may be
Painful. But just like the sun
Rises and lights pour
Into your window, all
Nights must end for a
Greater day to start

Are you ready for warmer weather? Sunshine filling the sky later into the evening? Spring is a season of hope, new life, and fresh beginnings. It is the perfect time to turn over a new leaf and begin a new season with a good attitude and positive thoughts.

Life can be full of ups and downs. Sometimes circumstances out of your control come and try to knock you off your feet. Looking out at the world around us, it can be easy to get cynical that anything will change or that we have the power to make a difference. But do not despair.

As we watch the robins return, and the flowers begin to emerge from their long winters nap, we are reminded that spring is a time of hope and renewal. As the temperature become warmer, it is time to seek to find and maintain a positive attitude. Make space for people and things that make you happy. Send a thinking of you card or pick up the phone and reconnect. Keeping a daily gratitude journal can help you remember the small and profound daily gifts you celebrate. Simply write something you are grateful for on each square on your calendar. This can help you see the good even when you are feeling down. You are an incredible person who can do so many things. In case nobody told you today, you are beautiful, you are loved, you are needed, you are strong, you are enough!

“Be positive. Your mind is more powerful than you think.” This was a quote attributed to Tony Dungy. A positive attitude can make a lot of difference in our lives. It can shape our outlook, it can motivate us to do good, it can encourage us to believe in possibilities. Theodore Roosevelt said, “Believe you can, and you’re halfway there.”

As we journey into this season of Spring, I challenge you to renew your commitment to kindness and compassion, patience and perseverance, and forgiveness and reconciliation. With these seeds planted in the fertile soil of good attitudes and positivity, anything is possible.

Grace and peace,

Amy
