## Weather Analytics (\$50 per insured date)\_\_\_\_\_

Third-party observer which uses industry-changing and proprietary, hyper-local climate data to more accurately verify weather conditions at the exact location of the event per Insured date. **This service also includes:** 

**NEW – Smartphone App / IMPROVED – hands-on claim verification**: Using innovative technology, you will have the ability to download a smartphone app to immediately verify if there was a claim and view and download a detailed hourly report of the weather data. Based on this report, if validated, a claim check will automatically be sent within 72 hours of claim notification by Weather Analytics.

## Closest National Weather Station (approximately XX miles away)\_\_\_\_\_

Please be advised that weather conditions and location can vary dramatically. If your event location is more than five miles away from the Closest National Weather Station as identified above, you should consider an alternative claim verification source.

Independent On-Site Weather Observer (approximately \$50 per hour plus travel expenses. Subject Carrier approval)\_\_\_\_\_

If an approved independent weather observer is not secured by the Insured, for purposes of claim verification, the Carrier will designate the closest approved recording station in the terms of the contract. Should the Insured require additional information regarding an observer, please contact ACI.
