

# CAPS & *slants*

## ***Italicize:***

This article is straight and tall.

Chapters too, don't let it fall.

*All else gets italicized*

*Books and journals, slant those guys*

## **Capitalize:**

No caps on words, Lieutenant Colonel

**U**nless **I**t's **R**esearch **F**rom a **J**ournal.

\*except: Proper Nouns (always capitalize)

Lamb Wiley, C. (2024). This article is straight and tall, chapters too, don't let it fall. *All else gets italicized, books and journals, slant those guys*. p. 42. <https://cindilamb.com/apa7-help>

Lamb Wiley, C. (2024). No caps on words, Lieutenant Colonel. *Unless it's research From a Journal*\*. <https://cindilamb.com/apa7-help>

\*For ALL articles and chapters and books and newspapers, etc: **ONLY the first letter of the first word is capitalized** (and so are proper nouns).

**The exception:** Journals: Capitalize all important words.
