

The Christ Cathedral of the Triad Code!

Our Code is the culture that defines Christ Cathedral of the Triad (CCT). The Code is a part of our DNA, and each element therein defines how Christ Cathedral is unique. We embrace our uniqueness, not as a mystical occurrence, but as a distinguishing factor of our purpose. The Code reflects the calling of Christ on each of our servant-leaders, and it sets us apart from everything you have ever experienced about church before, even this church. We are not afraid to call ourselves a church because after 28 years, then a subsequent replanting, we believe we now know what "THE CHURCH" is all about.

Therefore, we have adopted this Code, and believe, as it defines us, we are refined. Most importantly, when executed well, the Code reflects not only our standard of excellence at Christ Cathedral, but also the standard that Jesus sets for each of His servant-leaders. We commit to touch the Triad region and beyond with this print from God's hand of love.

CCT CODE

We Are United Under One Vision:

Christ Cathedral is built on one vision "to see people who desire to know a delivered life filled with life in Christ." We will aggressively defend our unity and our vision. If you are not comfortable being around those who have had struggles and those who are struggling, this may not be a good fit for you.

Playing It Safe is Risky:

In order to dominate (penetrate) the Triad region and beyond with the Gospel of deliverance, we cannot play it safe. We will act in audacious faith by setting what may seem to be impossible goals, taking bold steps of faith, and watching God move and honor His Word. We reject the fear of failure by operating in the faith of following through.

Less is More:

We are committed to quality above all else, rather than quantity. We can do more ministry with less programs. We have been seen as big, but operated with little. We are now looking to do more and be more, not just have more.

Found People Find People:

We are intentional about finding those far from God and extending the greatest invitation: the invitation to know Christ. Therefore, our mission embodies and includes each one of us, actively participating, winning more souls to the body of Christ.

We Are a Generation That Gives Honor:

We freely give honor to those above us, beside us, and under us because of the potential God has placed inside of them and the security we have inside of us.

No Perfect People Allowed:

We are imperfect people seeking a perfect God. Everyone has sinned and fallen short of the glory of God; yet, we make no excuses. We are cognizant that our humanity needs God's divinity to be effective. He called us crippled; we serve while recovering.

We Need Your Seat:

We will not cater to personal preferences or prejudices in our mission to reach the Triad and beyond. We are just as concerned with the people we are trying to reach as we are with the people this ministry keeps. As you stay, you will stand to serve others that come.

Delivered People Deliver People:

We have a deep commitment to pursue a lifestyle of holiness and service to others - not to just grow a church, but to grow and build people, thereby growing a church. To admit deliverance is a transparent admission that we have come out of something that had us bound. Hence, we are all coming through and out of something only God could bring us through.

Giving Is Our Highest Form of Worship:

Our church will go above and beyond to give sacrificially of our gifts and resources to the Work, Word and Worship of God by way of ministry.

We Will Not Take This for Granted:

What we are experiencing at Christ Cathedral is not normal. Servant-leadership in God's kingdom is the highest calling, and we will remain grateful for God's hand of favor and the limitless opportunities He has given us to serve.

We Step Outside the Box:

We are committed to trying things no one else is trying. In order to reach people that no one else is reaching, we have to do things no one else is doing and take the hits that no one else is willing to take.

We Give God Our Best, Not What's Left:

We do not apologize for expecting excellence, which honors God and inspires people. The highest compliment we can give to our servant-leaders is to demand the best from them.

We Operate Within A Culture of Praise

When you worship with us, you will understand the passion we have for God by our expression of love through praise. We praise as individuals in a unified setting. We do not need another reason to praise God, just another opportunity, and we seize those upon every remembrance of God's greatness and goodness to us.
