Re: Notice to the Commissioner of Education of Webb CISD Board of Trustees' Approval of  
Amendment to Local Innovation Plan

Dear Commissioner Morath,

Please be advised that the Webb CISD Board of Trustees unanimously approved at their August 11, 2020 board meeting the attached amendment. The amendment was approved by the required majority vote of the Webb CISD School Board on August 11, 2020 and posted for the required 30 days. This amendment is submitted to amend the Local Innovation Plan approved by the board on August 11, 2020, with notice of intention to adopt said Plan sent to the Commissioner on August 12, 2020, and the final submission of the Plan sent to the Commissioner on August 12, 2020.

In accordance with T.A.C. §102.1313, Amendment, Rescission, or Renewal which specifies:

(a) A district innovation plan may be amended, rescinded, or renewed if the action is approved by a majority vote of the district-level committee established under the Texas Education Code (TEC), §11.251, or a comparable committee if the district is exempt from that section, and a two-thirds majority vote of the board of trustees.

(1) Amendment. An amendment to an approved plan does not change the date of the term of designation as an innovation district. Exemptions that were already formally approved are not required to be reviewed.

In accordance with §102.1313(a), we seek to obtain broader exemption from T.E.C. §22.004(i), which precludes a school district from providing an alternative uniform group coverage program after the school district implements coverages under Chapter 1579. Please see the attached amendment, approved by the required majority vote of the Webb CISD School Board, which exempts Webb CISD from the requirements under T.E.C. §22.004(i). Further, as specified in §102.1313(a) (1), the exemptions that were formally approved are not required to be reviewed.

Heriberto Gonzalez  
Superintendent
