News January 2012

Great news from Ria and Leo who made the trip to Werribee for the Victorian State Dressage Championships. They had some great scores to finish fourth overall, AR GALILEO and Ria Grivell gained a fantastic 71.2 in one test for a second and 66.127 in other . What a wonderful result, fourth overall in the champs on their first interstate adventure. A big trip which certainly paid off for these two. Congratulations Ria and Leo.

Kelly Thurley and Acacia Ridge Matador. Congratulations to Kelly on her marriage and a big congratulations to Matty for being her escort. Lovely to see our babies going on to become part of another family. Kelly and Matty have been together for five years and made the move to Queensland together. We wish Kelly all the best for a very happy future.

Ryan Fletcher and AR Renaissance competing in their first Three Day Event at Lakes and Craters.

Ryan and Stella have been together for less than a year and in this time Stella has gone from not having jumped at all to competing at Prelim level. Ryan was very thrilled with her performance, they are forging ahead with their eventing and showjumping and we wish them all the best for 2012.
