NEWS MAY 2011

AR Vivaldi is now living in Victoria with his new owner Micky. Vivaldi (aka Squiggle) have been together for eight months and are working extremely well together. Have just had an email from Micky with the exciting news that they have just competed in the National Young Rider Champs and came 2nd in the medium 4b, 4th in the 4c, 4th in the medium freestyle. So overall as a combination they are the 3rd best junior medium horse combination in Australia!!

This is very exciting , we wish them all the best and look forward to following their progress.in dressage and showing.

We all remember Wendy Shaeffer and Riley , later ridden by Amanda Ross doing very well on the eventing field - we now have Ryan Fletcher just starting his young mare, AR Renaissance eventing in SA and I look forward to more eventing successes.
