

# FOSTERING UNITY

## WHO WE ARE

Fostering UNITY is a non-profit organization founded by caregivers for caregivers.

We aim to improve outcomes for children in foster care through child-centered family strengthening programs, enhanced community partnerships, and intentional caregiver support.

Our goal is to building better tomorrows for children in out-of-home placements through direct caregiver support and family strengthening.

## WHAT WE DO

We provide resources and services to resource parents, caregivers, and birth parents during out of home placements and the reunification journey.

## CORE VALUES

- Collaborative Advocates
- Informed and Ethical
- Respectful and Inclusive
- Shared Responsibility
- Empowerment
- Trauma-Informed Healing

## HOW WE DO IT

Fostering UNITY has a 3-fold strategy to meet caregiver needs and achieve our mission.

### REAL TIME RESOURCES

We provide real time resources and navigation through our specialized C.A.R.E Line that serves as a first line of defense for caregivers in the moment of a need or situation. We also offer a toolkit on our website for up to date and valuable resources.

### PERSONALIZED, ONE-ON-ONE SUPPORT

Designed by caregivers for caregivers. Our CARE Service Specialists provide short term and long term one-on-one mentorship and support that is inclusive and personalized to each person's journey. Mentorship and support is offered in-person and virtually to accommodate everyone.

### OUTREACH AND EDUCATION

Our journey doesn't stop in the moment. It's about continued support to create stability and success. We achieve this through programs, events, community involvement, and focus groups. This Includes:

- Virtual Support Groups
- Caregiver Mentoring and Education
- Facebook Caregiver Group for Resource Sharing
- Community Events like Winter Wonderland and Foster the Moment

## THIS IS WHERE -YOU- MAKE A DIFFERENCE

**Build Community:** It truly takes a village. Your time, energy, and care in supporting Fostering UNITY will create unified communities within the greater Los Angeles area for children, caregivers, and families. Your talent, knowledge, and connections are a part of this community.

**Intentional Support:** With focused intention, your support can extend into creating a collaborative foundation for programs and events that impact your community through the foster care and reunification journey.

**Mindful Giving:** Donating time, money, supplies, and knowledge will help us expand our programs and services to create a stronger support system for our youth and caregivers.
