If you are eager to make a difference in your community, volunteering with GSU is a wonderful opportunity to contribute positively and help those in need. Our diverse programs offer various ways for volunteers to get involved and support our mission. By joining us at our new location, you will have the chance to learn about the different programs available and the impact you can make.

Our pantry program has recently undergone some exciting changes, and we are thrilled to share these updates with you. Whether you are a returning volunteer or new to GSU, our board members and program chairs will be there to guide you through the opportunities and help you find the perfect fit for your skills and interests.

Volunteering not only benefits the community but also provides a fulfilling and rewarding experience for you. We believe that everyone has something valuable to offer, and we are excited to have you join our team and make a difference in the lives of those we serve.
