2. **Scheduling classes and lessons** (*may be done through a browser or using the GymMaster app on a mobile device*)
- Download the GymMaster app

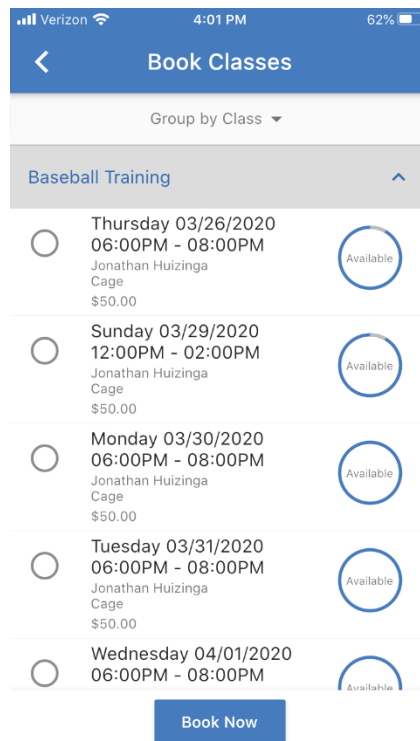

- Open the app and log in using the account credentials you just created

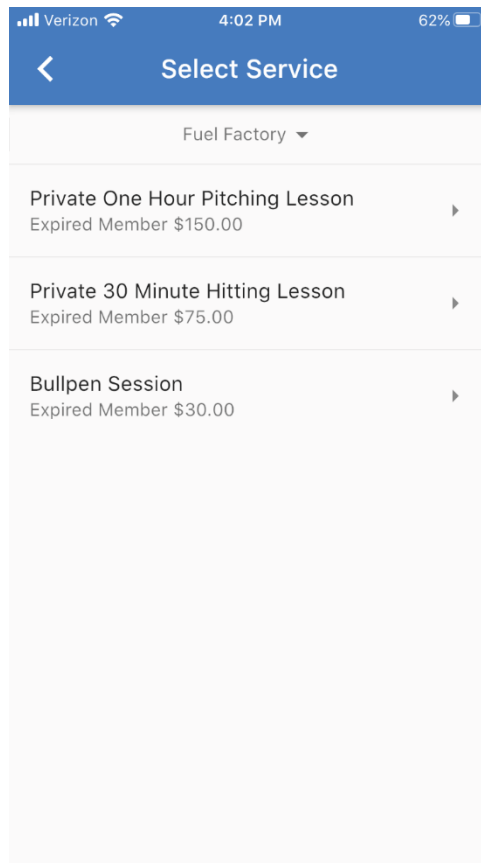

c. Scroll down to “My Bookings”. To book a class, click on “Book Classes”

d. Choose the class you would like to attend and click it, then click the “Book Now” button. Depending on the membership you purchased, prices for classes will be displayed accordingly.

- e. To book a Private Lesson or Bullpen Session click “Book Service” from the Home screen, then choose the service you would like to schedule.

- f. Once you’ve chosen a service, pick the date and time and click the “Book Now” button. Again, prices displayed will vary according to your membership type
