Operation Clean Street / Street Sweeping

The City of Mission Viejo sweeps our public residential streets free of charge every two weeks to keep debris from entering the storm drain and polluting our creeks, beaches, and ocean.

Sweeping is done **every other week the day after trash day** except for holidays, when streets are swept one day later. Please try to park your car off the street during street sweeping days. Our community will look for much cleaner!!

By moving your car, the street sweepers will be able to sweep the entire pavement, from curb to curb, and collect all the pockets of debris, oil and grease that collect underneath the cars.

WATER LEAKS

Each resident has the duty to promptly report all water leaks and evidence of leaks (such as water spots on ceilings, wet walls, or floors, etc.) to the Association's management company. The Association will not be responsible for damage to a unit which results from an unreported water leak. Prompt reporting of water leaks or evidence of water leaks allows the Association to investigate and make necessary repairs to minimize damage to the common area and unit.
