District 7 High School Rodeo is proud to be a member of the Idaho and the National High School Rodeo Associations. District 7 is dedicated to enriching the lives of our student rodeo athletes by preserving our western heritage through the sport of rodeo, promoting family values, and the on-going development of our students both in the classroom and in the sport of rodeo by providing future opportunities through college scholarships. District 7 stresses responsibility, cooperation, and good conduct in their participants. We see this as a way to help our youth to develop into outgoing and productive individuals in their communities. We promote horsemanship, sportsmanship, character, and the humane treatment of animals at all times. We strive to encourage our youth to perform to his or her highest potential and to realize their dreams. Most importantly, District 7 encourages students to continue in school and to improve their education to the best of their ability.
