

# Indigenous Nations Services

## People Platforms Potential

### **d. Team** Commits to Preservation and Ethical Technical Advancement.

What our clients are saying: “WFN is dedicated to uplifting their people and employees through inclusivity and training on their ancestors and culture. They are always looking for ways they can modernize their systems to best service their people and employees. **The d. Team** continues to have a tremendous impact with their services, attention to detail and respect for our culture.” says West Bank First Nation Human Resources Director, Tina Jacobs

#### **Seamless Tribal Nations Engagements:**

- d. Team currently services the Okanagan Nation with press release found [here](#).
- d. Team has a formal DEI Policy found [here](#).
- d. Team has a formal Environmental Policy found [here](#).
- d. Team has all Consultants sign a Code of Ethics.
- d. Team can have a team deployed to respond to your requirements within 5 days’ time and are happy to engage Tribal team members as our consultants.

**All are welcome at the d. Team.**

#### **OUR MISSION**

We are committed to preserving the traditions, culture, and environment for all Indigenous nations. Our ethical oath and commitment are to support job growth and technical expenditure efficiencies and our services are accessible and available to all Band Members and Leaders and Non-Resident Band Members.

**This is the d. Team way.**

We look forward to supporting you.

#### **UNIQUELY PREPARED FOR THE FUTURE.**

"Conserving culture and tradition by ethically enhancing modern basic needs with realistic automation is our mission," says the d. Team. 2024
