

CARL DUFF MINISTRIES HOUSE OF HOPE

Hello Friends,

As a body of believers at House of Hope we want to be about our Father's business. Part of being about His business is humbling ourselves and serving others. Our food pantry is serving 120-150 families a day. And our soup kitchen is feeding 5-10 people a day. There is much work behind the scenes to make this happen, but we have an Awesome God in whom we trust! If you would like to volunteer, stop by the pantry on Monday, Tuesday, Friday from 12-6:00pm and Saturdays from 10-noon. If you are not able to volunteer, but would like to be a part of what we are doing, you can support this ministry by praying or by giving of your finances.

Our Vacation Bible School has been a blast! We have had 30-50 kids a night. These children are the future of the church, so we have the awesome responsibility of sharing the Good News of the Gospel with them! We had 16 children give their hearts to Jesus on the last night. Praise God!

As reported earlier our tent was blown down by strong winds in Rolla, since then we were able to purchase a new tent. We give all glory to Jesus! More information to come on when and where we will be setting up the new tent.

Vacation Bible School Monumental times!

And He said to them, Why did you seek Me? Did you not know that I must be about My Father's business? Luke 2:49

What does it mean to be about our Father's business? The story of Jesus as a young boy in Luke chapter 2 reveals to us how Jesus knew even as a young boy that He was to be about His Father's business. When Jesus was 12 years old, His family went to Jerusalem for the Passover. On their way back to Galilee they realized Jesus was not with them, so they returned again to Jerusalem and found Him sitting among the teachers in the temple asking them questions. Jesus humbled Himself to be taught and was putting into practice the priority of following the will of His Father. We must be about our Father's business as well. What is His business? It is humbling ourselves to be obedient to what God's will is for our lives. Being about our Father's business is also taking the time to disciple others. At House of Hope we believe in raising up leaders, teachers, pastors and evangelists to go out and spread the Gospel. Please continue to pray for this ministry and if you are able to support us financially that would be a blessing!

God bless you all,

Do you have a need?
