Biography

Impassioned' - Lisa Thompson pictured above and right is bringing the 'triple threat' to the world through her Evangelism, singing and speaking.

Lisa Thompson resides in Moscow, Texas, married to Terry Thompson, she is the mother of Taylor White and Tyler Thompson, and grandmother to step-grandson Jaxson White. Lisa is a member of Open House Ministries in Liberty, TX.

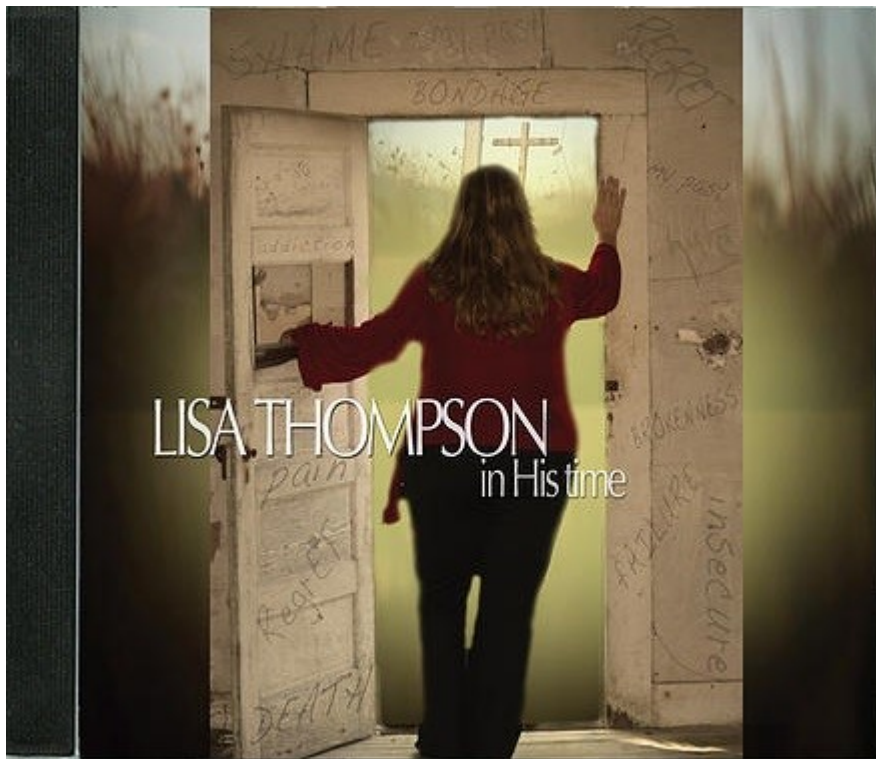

Lisa started out singing for The Lord at a very early age. Raised in a church background, Lisa can still remember standing at the piano with her momma playing and singing 'Build My Mansion' at the top of her lungs!

Lisa like any other young woman graduated from high school, however, a very talented athlete she went to Tyler Jr College on an athletic scholarship with high hopes and dreams of a prominent future. However, those dreams and visions were shattered because of wrong choices she made, and Lisa ultimately found herself in a daily battle with addiction.

She had drifted so far away from God and her family that she felt she would not survive another day. However, God had other plans! On January 1, 2008 Lisa completely surrendered my heart and soul to Jesus Christ. Right then and there her entire life changed for the better. Lisa answered the call to minister the Word in song and testimony and do so at every opportunity.

Her vision, is to see lost souls saved and lives changed by the Blood of Jesus and by His sacrifice of love on the Cross of Calvary. Lisa's heartfelt wish is to just to be used by God for HIS Glory, honor and praise!

Interview – Lisa Thompson

Q How did you come to know the Lord Jesus as your savior Lisa?

I have always heard about Jesus ever since I was a small child; when I walked the aisle down to an altar to pray in 1991 I believed that by doing so I would be saved forever. Years passed and I went on living my life as if I never knew about a man named Jesus. Lost and shackled by my addictions, I was bound for a devil's hell. January 1, 2008 after one of the worst drunks in my entire life, I fell on my face in my living room at Corrigan, Texas. It was then I cried out to Jesus and He heard my cry, then and there I completely surrendered my all to Christ. The old woman died right then, and a new woman took her place. Jesus saved my soul and set me free!

Q I just watched your video 'Not Guilty' what inspired this song and how does it reflect your own experience?

Jesus' love for me inspired this video and song, "Not Guilty". I can still remember looking in the mirror and being so ashamed of the woman, the mother, the wife, the daughter, the sister, the person that I was. So full of pain and regret from so many bad choices I wondered how anyone could ever love me. Oh but the day came that I heard the preacher talking about Jesus and His Love for us. He said No matter where we come from or what we have done, Jesus loved us so much He gave His life for us. His sacrifice of love just amazes me. He died so that we could go free! It is our choice! I choose NOT GUILTY!

Q How important is Gospel Music to you and how do you believe music reaches people?

Gospel Music is so very important. God can use the words of a song to move even the deepest of sinners to repentance. The Old Rugged Cross, Nothing but the Blood, How Great Thou Art, are just some of the wonderful songs inspired by God to touch the heart of people. Everyone needs gospel music in their life and for their soul! I will forever sing praises to my Lord for His Honor and Glory. Love that good old Gospel music!

Q Now, I hear that you are also writing a book!! Can you tell me about it??

Well the book is something I have been praying about and hope to begin very soon. I just want people to know where I was and how far God has brought me. I want my story to be a testimony of God's Amazing Grace and mercy to everyone who reads it. I just want God to be glorified in all I do and souls to be saved.

Q So many people can relate to your testimony, unfulfilled dreams, wrong choices, addiction. How in your own words did God change your life around?

He took a 'nobody' and made a 'somebody' when he saved my soul! Where there was no life, I now live. Where there was no hope, I now have hope! Where there was sadness and pain, I now have joy and peace! Where there was unworthiness and shame, I now am proud of the woman I am in Christ Jesus! I owe Him my life!

Q How important is the word of the testimony?

The Word of God says in Revelation 12:11 that, "we are overcomers by the blood of the Lamb, and by the word of our testimony." Our testimony is so important to the non-believer and the believer alike. There is nothing like hearing someone share what God has done in their life, how He has brought them through, and know if He did it for them, He can do the same for me and you.

Q In your own words, how important is prayer, in your walk with God?

Absolutely so very important. Prayer is vital to our daily walk with Christ. Just knowing that we can go anytime to the throne room of God and He is always listening and hears our prayers is so great! Praying for each other and knowing you are being prayed for just means so much. We must believe in prayer and have faith in God to answer our prayers!

Q What do you hope to achieve within your own ministry and how do you hope to fulfill God's vision for your life and ministry?

Well this isn't about me at all! It is all about the One who gave His life on Calvary's Cross! If through this ministry God has called me to, just one soul is saved, then it is worth it all. That is my prayer. For souls to be saved, delivered, set free and born again by the Precious Blood of Jesus! All for HIS honor and Glory! It is ALL ABOUT MY Jesus.

Thank you Lisa for a great interview!

Thank you so much for this great honor and opportunity to be a part of such a wonderful thing. I just pray whoever reads your article about me will know there is Hope in a man named Jesus! There is Salvation and freedom! John 8:36. "He whom the Son of Man hath set free is Free indeed!" God bless you and thank you again.
