ABOUT US

Mission

Our endeavor is to manufacture user-friendly, biodegradable, class products that will help your business grow at a faster pace. We believe that packaging helps you create your distinct brand reputation and open newer opportunities in the market. We aim to create strong and healthy long-term relationships with our esteemed customers by attentively meeting their dynamic needs.

Vision

The Ckaari vision is to make the use of eco-friendly paper bags widespread reducing dependency on plastic bags to a bare minimum. We visualize being among the leaders in manufacturing high-quality biodegradable paper bags and serving businesses through our user-friendly products. We aim at providing a complete paper bag range to our clients, often exceeding their expectations.

Why Us

Innovation

Through our innovative ideas, we want to revolutionize the paper bag industry and reduce the use of plastic bags as much as possible. We have a team of professionals with their expertise in the efficient use of resources in creating the best possible products.

Environment-Friendly Products

Our aim while entering the manufacturing and supply of paper bags has been to serve the environment with our eco-friendly products while providing world-class services to our clients. We consider it our moral responsibility to give back our best to nature for our future generations.

High Quality

We believe quality comes first. Hence, despite a longer process, we manage to produce the best quality products in the class. Our staff undergoes frequent trainings to stay updated on the latest trends in technology, product and processing.

Cost-Effective

We offer excellent products and services at highly affordable prices. Our products are way more cost-effective than our competitors due to in-house manufacturing and the latest machinery.

Customization

We have specialized in custom packaging and printing. We can manufacture paper bags as per the custom dimensions, choice of paper, colors, printing and much more. We have a state-of-the-art, in-house printing facility to cater to your customized print needs.

Customer-Oriented Approach

We have to deal with brands and being a respectable brand ourselves, we know the importance of the same. That is why we always manufacture our products keeping in mind the needs and demands of our customers. We are always open to suggestions and customizations.
