DINING AREA

Adjacent to the living room is the dining area, seamlessly connected for effortless entertaining. The dining area boasts a stylish table and chairs, comfortably accommodating six people. It's an inviting space for enjoying meals with family and friends. The strategically placed pendant lights above the dining table create a warm and cozy ambiance, perfect for intimate dinners.

THE BOOMING SECTOR

1. Growth in Property Values: According to the National Bureau of Statistics (NBS) in Nigeria, the Real Estate Services sector contributed positively to the nation's Gross Domestic Product (GDP). In the third quarter of 2020, the real estate sector grew by 2.81%, reflecting the resilience and growth potential of the industry.

4. Short-Term Rental (Shortlet) Business: The global short-let rental market size is valued at \$99.38 billion as of 2021, which is expected to grow at a Compound Yearly Growth Rate (CAGR) of 11.1 per cent till 2030; the increase in short-let apartments' adoption is attributable to strong income profile and ease of access to investors, operators and tenants. And according to Pan-African real estate data firm, EstateIntel, the Lagos short-let market has grown by 263 per cent over the past three years.

WHY INVEST IN THE PANTHEON

- 1. Prime Location:-** Lekki Phase 1 is a sought-after area known for its strategic location and proximity to business districts, commercial centers, and essential amenities.
- 2. Potential for Appreciation:-** Real estate in Lekki Phase 1 has historically shown a trend of property value appreciation. Investing in a well-located property can lead to significant capital gains over time.
- 3. High Rental Demand:-** The area's popularity often translates into high rental demand. A 1-bedroom apartment can attract tenants seeking the convenience and lifestyle offered by Lekki Phase 1.
- 4. Infrastructure Development:-** The ongoing and planned infrastructure developments in the region, such as improved roads and amenities, can positively impact property values.
- 5. Security and Serenity:-** Lekki Phase 1 is known for its relatively secure and serene environment, making it an attractive option for both residents and investors.
- 6. Growing Economy:-** The economic growth in Lagos, coupled with Lekki's position as a hub for commerce, can contribute to a favorable investment climate.
- 7. Diverse Tenant Base:-** The area attracts a diverse range of tenants, from young professionals to expatriates, increasing the potential tenant pool for your property.
- 8. Stability in Demand:-** Real estate is a tangible and stable asset. Investing in property can provide a hedge against inflation and economic uncertainties.
- 9. Short-Term Rental Opportunities:-** The popularity of short-term rentals, such as through platforms like Airbnb, provides an additional avenue for generating income.
- 10. Quality of Life:-** Beyond financial considerations, investing in Lekki Phase 1 offers the potential for an enhanced quality of life, with access to recreational facilities, shopping centers, and a vibrant community.
