NEWBORN INSURANCE ENROLLMENT POLICY STATEMENT

Adding your newborn to your insurance policy is not automatic. **You, the insured, must call and initiate the addition of your new baby to your policy**, including the selection of Dr. Maria Arreaza as the child's pediatrician, also referred to as primary care physician, or PCP. Insurance companies require you to enroll your newborn in your health plan within 30 days of your baby's birth. If your baby is not enrolled, your insurance plan will deny claims for your baby's care and you will be responsible for full payment.

- Contact the **EMPLOYER** that provides the insurance you will be using
- Fill out the necessary enrollment forms to notify the employer of the birth and add your child to the policy
- Submit these forms ASAP
- Call your **insurance company** member services department (the phone number is on the **back of the insurance card**) and:

1. Confirm receipt of your forms
2. Confirm enrollment of your newborn
3. Confirm your choice of a PCP with your insurance
PCP: (MAR AND SEA PEDIATRIC OR DR. MARIA)
4. Request all of your policy information, including the details of your coverage, benefits and limitations. These may include co-payments, coinsurance, deductibles and/or out-of-pocket expenses
5. Familiarize yourself with policy coverage details and rules, exclusions, referral procedures that may result in patient financial responsibility.

ANY QUESTIONS FEEL FREE TO CALL US AT 561-270-5144 OR EMAIL: FAXMARANDSEA@GMAIL.COM

If your baby is not added to the insurance policy within 30 days of their date of birth you will be financially responsible for all charges. It is the patient/parent's responsibility to bring to the office his/her insurance card and information. We are making every effort to keep down the cost of your medical care. **Please understand that you ultimately have the final responsibility of your bill.** If you are applying for Medicaid or Self-Funded coverage through the Marketplace payment is due at time of service until coverage is active. The office will issue you a detailed statement at which time you can submit to the insurance once active for reimbursement.

If you have any questions or concerns, please contact your insurance company immediately. **I certify that I have read the above policy statement and understand that I am responsible for my child's medical cost.**
