MANAGEMENT PROFILE

Dunamis Construction Group was founded by Michael Palmer in 2022 after working in the construction industry for 16 years. Michael has been involved in the earthmoving, civil and mining industry from a young age where he learnt from the ground up, starting as a plant operator and progressing through to running projects and businesses.

Michael has delivered infrastructure projects to local government clients and Main Roads WA by building cohesive project teams by focusing on people development and positive relationships. Michael's experience built from the ground allows him to understand the challenges in the field and foresee and execute mutually beneficial solutions to achieve great project outcomes. Michael holds qualifications in project management and business management.

Here for tomorrow

OUR PURPOSE

Our purpose is to value, empower, invigorate and protect our people and communities that we operate in whilst delivering industry leading services to our customers in the earthmoving, civil and mining industry.

OUR MISSION

Our mission is to be thoughtful, trusted, respected, tenacious, profitable and hold a reputation of delivering our services timely and efficiently so our clients reap the rewards. We will think outside the box, develop our people, build relationships at all levels of business and in the community. We will ensure no one is harmed psychosocially or physically because our people are our greatest asset. We will be inclusive, diverse and learn about Australia's Aboriginal heritage so we can contribute and create meaningful change.

OUR VISION

Our vision is to be industry leading by delivering exceptional services and creating an experience for our people, our customers, our supply chain and the communities that we engage with that is first class to ensure that we are "Here for Tomorrow".

ACKNOWLEDGEMENT OF COUNTRY

Dunamis Construction Group acknowledges the traditional owners of the lands and the Elders, past, present and emerging. We acknowledge the ongoing connection that Aboriginal people have to this land and recognise Aboriginal people as the original custodians of this land.
