Cast Your Vote For a New Treasurer

KLIC has a new Treasurer-Elect. The Treasurer position was previously held by Elisa Bell. While we are sad to see her go, we are excited to introduce a new candidate, Liz Miller.

Liz's Bio

"My name is Liz. I am a mom to two amazing kids who keep me on my toes. I have breastfed both of my kids and loved my experience so much that I have become something of a breastfeeding advocate.

I volunteered for a time as a moderator for an online Breastfeeding Support group and now I encourage parents in their breastfeeding journey.

I am also a small business owner as a bookkeeper and have a passion for all things numbers. I enjoy getting to help others organize and balance their books.

I am looking forward to being a part of KLIC and making a difference in breastfeeding here in Kentucky!"

Cast Your Vote For a New Treasurer

Per KLIC By-Laws, it is not a requirement for the Treasurer position to hold a certificate in lactation.

VOTE

2023 Executive Committee (aka Board of Directors)

President:

- Erica Rhorer

Vice President:

- Rebekah Scroggy

Secretary:

- Margy Stivers

OUR MISSION

o o o o

MISSION

KLIC's purpose is to promote (Educate), protect (Advocate), support (Collaborate) chest/breastfeeding as the cultural and social norm in the State of Kentucky.

VISION

o o o o

Human milk will be the norm in infant feeding, resulting in a healthier KY.

Families in Kentucky will have access to professional lactation care to form a foundation for a lifetime of optimal health and wellness.

ISSUE ONE | JUNE 2023

UPDATES:

IBCLC
COMMISSION

IBLCE realigned the organisation to create the IBCLC Commission. The Commission has authority and autonomy over all essential certification activities related to the IBCLC programme.

- Requirements for Initial Certification & Recertification
- Examination Development & Scoring
- Ethics and Discipline
- The IBCLC certification programme holds the prestigious National Commission for Certifying Agencies (NCCA) accreditation, which is a mark of quality and excellence for certification programmes.

REMINDERS

- Applications for the IBCLC Examination via Pathway 1, 2, 3, or Recertification by Examination are now open.
- Applications for Recertification by CERPs, Reinstatement by Examination, and Reinstatement by CERPs are now OPEN.
- Inactive Status has replaced Lapsed Status. Candidates are now able to reinstate by examination or by CERPs from Inactive Status.
