

MINISTRIES

Jesus, during His earthly journey, was known for His teachings. He would often sit with His disciples or crowds of

followers and reveal the truths of the Kingdom. Through the years these teachings have been the primary focus of many preachers seeking to proclaim the Kingdom of God faithfully. However, many have become popular through the years for sharing their own words and teachings and claiming to base their sermons on Jesus’

words. I would challenge each of us to think long and hard about what we share and how we share it. Jesus’

teachings are usually very simple and easy to comprehend. It is not much of a stretch to apply His words to our lives and seek to obey Him based on what He said. So, consider these words, “Let your light shine before men in such a way that they may see your good works, and glorify your Father who is in heaven.” (Matt. 5:16)

Jesus instructs each of us to shine our light. He is speaking to a believing crowd that is seeking Him to find their way in this journey of life. Jesus says for each one of us to shine our own light, meaning that each one of us has a light to shine! Many will try to find an excuse for not being the bold witness for the Lord that they want to be or feel they should be. But here, Jesus plainly says shine your light, you have a light, you are a light, and shine it out. And as is His custom, He then clarifies how to do that work. Jesus says “in such a way” to link our good works with glory given to God the Father. This is often where the rubber meets the road. Am I willing to do the works He instructs me to do in such a way as to draw attention to Him not to me?

All over the world there are people who do not know Jesus. They may never have heard of Him. Or, they may have heard but simply do not know Him.

Whatever the case, Jesus instructs each one of us to shine our light in this world so that others may know Him. The past couple of years have been taught shine a whole lot. Many of us have had to focus on many other things just to make it through the pandemic. Yet, here we find ourselves looking at this instruction and trying to see our way through. It is time we focus our attention on the people around us who will be impacted by our light. We must shine brightly for the world around us to see our Heavenly Father, His grace and mercy, as well as His justice and conviction. As we make our plans to rejoin our friends around the world, will you join us in making our light shine brightly? Will you get involved with us in our efforts to share and show Jesus to all who will see Him as we shine brightly the light He has given us? The world around us is looking for a light of hope every day. Take Jesus at His word and let Him shine a light through you that brings people to meet Him face to face. It is when we serve in a way that shows and shares His love that He draws people into the light, and they are set free. Join us by praying for us and supporting the work through consistent prayer. Join us by giving of your resources to help us go into the world with His light and shine.

Join us by going with us into the field that is white unto harvest. Be one of the few who says yes to the Lord and goes to serve in the harvest. Join us as we Reach our World and Teach the Word!

Ministry Reboot

One Way Family,

The days of pandemic have been difficult days for our brothers and sisters around the world. We have felt the struggles here at home and have watched the obstacles from a distance as we have encouraged and supported our friends and faith family abroad.

As we prepare to reboot and re-engage around the world, we ask for help to kick start some projects. We have a few "vintage" One Way shirts and several of our latest two designs.

Our red REACH shirt has been used already, and many have enjoyed that light weight shirt. We have several of those remaining, especially the larger sizes. In addition, the blue TEACH shirt that was in line for 2020 (super soft) is available as well. Check out the photos and shoot us a message (sheryl@1wayministries.org) if you are interested in any of these shirts. The vintage shirts are limited in sizes and numbers. We ask that you consider a "reboot donation" for these shirts (\$10 or more!) as well as shipping costs to maximize the money we are trying to raise for the ministry. Please send donations, along with your mailing address and order, via PayPal to donations@1wayministries.org or via Venmo to [sheryl-turner-1way](https://venmo.com/sheryl-turner-1way).

Join us as we prepare to walk back into the field of harvest and watch for trip dates and future plans to be announced soon!!
