Mission Statement

To contribute to the community by supporting and initiating activities beneficial to the community, the City of Lansing and society in general. To work cooperatively in solving problems affecting the health, safety and general welfare of community residents. To establish effective communication links between the Churchill Downs Community Association, residents, local government, and other community organizations.

August 6, 20 September 3, 17

WE ARE MOVING

The Churchill Downs Community Association is moving back to the Wainwright school building starting with our August meeting. If you have any questions please contact William or Mike.

Community Pledge

I pledge to give a portion of my time, a portion of my energy, and a portion of my resources to the community in which I live. And to set examples, not by token words I say, or by looking the other way, but by contributing whenever I'm able to help enrich the lives of my neighbors. Here, I make all my pledges in unity, reaping in return a great community.

Legal dates be July 3, 4 and 5 and September 6, 7 and 8 this year. On any other date this summer they are prohibited by city ordinance.

The Police and Fire departments will be working to enforce the ordinance. If you see fireworks after 11PM, you are within your rights to call the non-emergency Police number.
