NEW PRODUCTS • SUMMER 2023

PCJ630

Center Jig Pliers 6"

\$42.00

With an integrated jig, these pliers keep your drill centered and prevent slipping when working with different materials. Offering a clamping capacity of up to 4.5 inches, these durable pliers provide a secure grip.

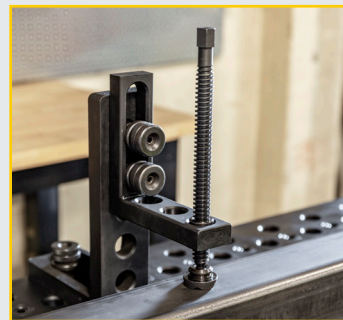

T28-61816

Hex-Clamp with Nut & Pad 28 mm

\$40.00

This Hex-Clamp with Insert-bushing and adjustable spindle efficiently secures workpieces using squares or other BuildPro components through a 28mm bore hole, with easy adjustment using an open-end or hex wrench.

These weldable adapter plates and spindles by BuildPro are compatible with Goodhand clamps.

COMPATIBLE WITH
GOOD HAND
TOGGLE CLAMPS
