

Horse camps are a great way for riders to learn all about horses. Whether they have a horse now, hope to own a horse in the future, or just want to ride on occasion, there is a lot more to horses than just riding them.

Horse camps provide a unique opportunity for riders with similar interests to come together and have fun learning all about horses and also improving their skills as riders.

All campers will receive a tee shirt and one free class to the HSS show on the Saturday after camp. We hope all the campers will join us for the show and invite their family and friends to come watch all they have learned.

We hope you join us this summer for some
