IDLWM32-55

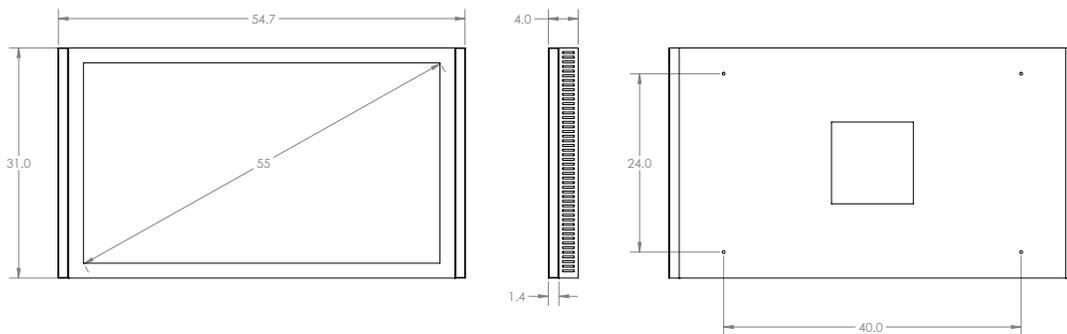

The PDG IDLWM32-55 indoor landscape wall mount kiosk is designed to support any commercial display from sizes 32" to 55". This kiosk can come in touch and non-touch using TSI Touch overlays. This kiosk features vertical side rails to enhance the aesthetics and can be painted a different color than the kiosk body. The front hood hinges down to gain full access to the inside of the kiosk during normal routine maintenance.

This kiosk is part of PDG's family of indoor landscape on-wall kiosks and is perfect for content and CMS partners who want to buy and then re-sell to the end users.

The kiosk is constructed using 14 GA. high impact steel and built to take public traffic and bumps and bruises. It is perfect for malls, college campuses, retail locations and a host of other applications. This kiosk can be painted any color you desire and can also include printed decals and kiosk wraps.
