

# 55" INDOOR KIOSK

Designed for your digital signage application

PALMER DIGITAL GROUP

Manufactured Kiosk Solutions  
A Division of IEC

## IDPK55

The PDG IDPK55 indoor portrait kiosk is designed to support any commercial display from sizes 46" through 55" and can come as touch or non-touch. The kiosk comes equipped to accept a camera and NFC reader by way of "knockouts" in the front of the kiosk. If not needed simply leave the "knockouts" in place.

This kiosk is part of PDG's family of indoor and outdoor portrait kiosks and is perfect for content and CMS partners who want to buy and then re-sell to the end users.

Constructed using 14 GA. high impact steel and shatter resistant polycarbonate display cover will insure longevity and years of use. This kiosk can be painted any color you desire and can also include printed decals and kiosk wraps.
