

# Self Checkout Kiosk w/ Bill Validator

Designed for your digital signage application

PALMER DIGITAL GROUP  
Manufactured Kiosk Solutions  
A Division of IEC

## SCHPCA-18

The PDG SCHPCA-18 is a self-service checkout designed for retail and grocery applications. Implementing this solution in your stores allows customers to have a faster, easier and more convenient alternative to long checkout lanes. This also gives your customers more privacy and control over their overall shopping experience.

Constructed using 14 GA. and 12 GA. high impact steel which will insure longevity and years of use. This self-service checkout can be painted any color you desire and can also include printed decals and full printed wraps.

PDG can help with content management and software setup through our preferred partners. PDG can also assist in installations by using our preferred installation partners. PDG can make (1) or (1000), it is all up to your requirements and needs.
