peerless-AV®

Healthcare Collection

Mounting and Digital Signage Solutions for Healthcare Applications

Since 1964, when we developed the first TV mounts for hospital use, to today with our array of innovative carts, flat panel display mounts, video wall systems and kiosks, Peerless-AV® continues to provide innovative products to meet the demands of today's hospitals and healthcare facilities. With more than 3,600 revolutionary products designed to exacting standards, Peerless-AV is dedicated to providing reliable AV solutions that offer a supreme balance of form and function.

- Products are tested by Peerless-AV to **UL 2442** standard to provide a trusted level of safety.
- Whether you're in a seismic area or not, you're covered because Peerless-AV products are **OSHPD approved**.
- Peerless-AV products also meet the **ADA guidelines**.
- Optional **Agion® antimicrobial finish** is available to assist in controlling the spread of infections within healthcare facilities.
- Our **Custom Solutions Team** can help you solve even the most complex design and technology integration challenges.
