Solutions

peerless-AV[®]

Official Digital Display Partner of MLB

Turn to the **only** single-source solutions provider.

Peerless-AV® makes the entire kiosk selection process cost-effective and easy. Our Kiosk Solutions Team is comprised of engineers, custom project managers, component and installation partners, as well as sales & service personnel. Whether you need a completely unique kiosk solution or a modified version of a standard kiosk model, this dedicated team of experts are there every step of the way to ensure every customer receives top-of-the-line product support and service from start to finish.

- Our **Kiosk Partner Program** gives you access to a wide range of the industry's best technologies such as displays, media players, software, cameras, content, and more.
- **KioskBuilder™**, our exclusive self-serve online configurator, allows you to quickly specify your technology requirements (kiosks.peerless-av.com).
- Our **extensive range of made-in-the-U.S.A. kiosk enclosures** are completely customizable with camera options, custom artwork, audio system, LED lights, card readers, printers, scanners and more.
- We have a **dedicated integration area** where we assemble components into one of our kiosk enclosures.
- We offer **direct shipment of one or more kiosks** to you or the installation site.

What kind of kiosk will you configure?

Choose from a versatile array of sleek, slim and attractive standard kiosk enclosures or create a completely unique kiosk solution fit for any application and market - corporate, education, quick serve restaurants, hospitality, stadiums, retail and more. Our kiosks are customizable in every way - from the choice of technology to custom paint and vinyl wraps. If you can envision it, then we can make it happen.

The **perfect** large-format kiosk is only a few clicks away.

Our KioskBuilder™ application allows point-and-click configuration that results in a fully integrated, pre-tested custom kiosk that arrives ready-to-install.

We ask. You answer. KioskBuilder™ does the rest.

Go to kiosks.peerless-av.com, where the KioskBuilder™ application will guide you through a simple series of questions such as:

- Will the kiosk be indoors or outdoors?
- Portrait or landscape orientation?
- Free-standing, desktop or wall-mounted?
- What kind of display/touch technology, media player, etc., do you want?

Then, the KioskBuilder™ provides you with options and you make your selections. It's that easy.

Choose from the best in the business.

We have partner agreements with top-tier technology companies that allow us to get any high-quality products you need. It also ensures product compatibility for flawless performance for years to come. We work with:

Get started at kiosks.peerless-av.com

We'll take it from here.

After you've made your selection, Peerless-AV's dedicated team of kiosk specialists:

1. Reviews the request and provides a quote

2. Procures the components on your behalf

5. Ships your order of one or multiple integrated kiosks to one or multiple locations, eliminating time-consuming onsite assembly and project coordination

3. Integrates the components in the kiosk enclosure

4. Tests the system to ensure component compatibility

Plug in, connect to the network, load content, and you're done.
