Questions to Ponder

- 1) How do I see the past-present-future aspects of salvation being worked out in my life?
- 2) How do I see God's grace abounding in my life, especially in times of increased sin and challenges?
- 3) What practical steps can I take to resist sin and present myself as an instrument of righteousness to God, especially in areas where I struggle the most?
- 4) What is the relationship between Jesus' death and my justification and reconciliation? Do I believe that His death was sufficient for my justification and reconciliation?
