

PRAYER FOR VOCATIONS

God our Loving Father, you call us by name through the sacrament of Baptism to holiness. Through the gift of the Holy Spirit, you make us temples of the Holy Spirit.

Lord, bless all those discerning their calling to the priesthood, religious, consecrated, married or single life in our Diocese of East Anglia.

Grant them the grace to respond to the calling 'Go out to the whole world and proclaim the Good News to all the nations.'

Guide them in every step they take in life and lead them in every decision they make in responding to your call.

Make them and mold them into living images of Christ your Son, who was ever close to those in need.

We make this prayer through Christ our Lord,

Amen.
