PARISH AND CHURCH NEWS

Faithful Stewards of God's Gifts

Fr Antony writes ... "We are joining this Diocesan sponsored initiative and inviting all Parishioners to reflect on how you can best use your God-given gifts to help sustain the spiritual vigour of our Parish and help it grow further as a community of the faithful. You will have an opportunity to hear more about this during the Sunday Masses on **14th, 21st and 28th April.**" See also my letter in the Special Notice section of the Newsletter page on our website.

“Bishops’ Conference department welcomes Vatican declaration on Human Dignity

“...The Bishops’ Conference of England and Wales welcomes the declaration on human dignity, *Dignitas infinita*, published by the Dicastery for the Doctrine of the Faith earlier this week. In our troubled times, it is important for Christians to proclaim the inherent and unconditional dignity of all human beings, without exception, as being the basis for authentic human rights....There are many areas where human dignity is misunderstood and human rights are under attack....

“As the document explains, by proclaiming that the Kingdom of God belongs to the poor, the humble, the despised, and those who suffer in body and spirit, Jesus recognised the dignity of every person, especially those who were considered ‘unworthy’. (*Dignitas infinita*, 19) In our parish, civic and political life, we must, therefore, never forget the human dignity and human rights of the poor, prisoners, the sick, and those living with disabilities....”
