Purpose of Course: This seminar aims to acquaint police administrators and tactical team leaders with prevalent liability risks associated with SWAT training. Topics covered include asymmetric training strategies, methods to mitigate risk exposure, and enhancing training quality.

Course Description: Join us for a comprehensive day-long seminar featuring guided lecture-discussions on critical subjects such as contextual impediments, negligent selection and retention, negligent entrustment, failure to train, negligent training and supervision, and training documentation. Engage in group-think exercises and problem-solving activities tailored to reinforce key concepts. Benefit from panel discussions based on attendees' agency policies and practices.

Observed Mandates Include:

Civil Rights

Const. Use of LE Authority

Procedural Justice

Certified Instructor

Ron Yanor is a distinguished Certified Instructor with an extensive background in law enforcement and military tactics. With a career spanning over two decades, Yanor has honed his expertise across a broad spectrum of specialized areas, earning recognition for his contributions to training and operational excellence.

Certifications: Yanor holds certifications in an array of critical disciplines, including Basic CQB/SWAT, Advanced CQB/SWAT, Dignitary & Witness Protection, Sniper/Observer, and Patrol Rifle Instructor Development, among others. His comprehensive skill set encompasses areas such as Less Lethal Munitions, Building Search Tactics, and Combat Shotgun operations.

ILETSB Certified Courses: He has played a pivotal role in developing and instructing courses accredited by the Illinois Law Enforcement Training Standards Board (ILETSB). Notable among these are Basic and Advanced CQB/SWAT, Sniper/Observer, and Patrol Rifle Instructor Development, demonstrating his commitment to fostering excellence in law enforcement training.

Published Author: Yanor's expertise extends beyond the training grounds, as evidenced by his contributions as a published author. With over 50 articles featured in both professional and mainstream publications, including the esteemed International Journal of Counter Terrorism Professionals, he shares insights and tactics to advance the field of law enforcement.

Operational Experience: Throughout his career, Yanor has been an integral member of multi-jurisdictional special operations teams, serving in various capacities for 19 years. As a team training and intel officer for nine years, he contributed to operational readiness and mission success. His operational reach extends across several states within the U.S. and even to South America, where he provided training and support for specialized missions.

Training and Instruction: Yanor's dedication to excellence in instruction is evident in his tenure as a full-time instructor for law enforcement and military clients at the Adamax Tactical Academy. Over ten years of full-time instruction, supplemented by an additional decade of part-time service, underscore his commitment to sharing knowledge and enhancing operational capabilities.

Collaborations and Partnerships: Yanor has collaborated with leading figures and organizations within the tactical community, including Tactical Energetic Entry Systems, Direct Action Group, Larry Vickers, and Pat McNamara. His contributions as a staff instructor and adjunct have enriched training programs and seminars, further solidifying his reputation as a respected authority in the field.

Ron Yanor's unwavering dedication to excellence, coupled with his vast operational experience and commitment to advancing training methodologies, cements his status as a preeminent figure in the realm of law enforcement and military tactics.
